

Immersive VR glasses for a more mindful lifestyle - specifically designed to enhance wellbeing. Discover VR with VIVE Flow, the perfect personal wellness companion.

## Serenity happens.

When our senses are free to explore. See, feel and play to your heart's delight.

## Easy phone pairing.

Calmness is just a few simple steps away. Connect to your phone via Bluetooth and enter your happy place in virtual reality.

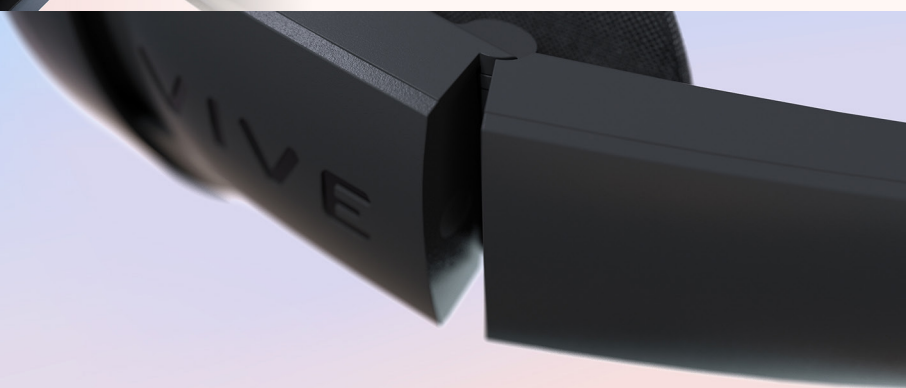

## Stay focused.

Adjustable diopter lenses offer personalized focusing power - so you can find your viewing sweet spot.

## Pure comfort.

Easy to put on and take off. The proprietary dual-hinge fit design ensures both comfort and stability for different head shapes and sizes.

## Phone as a VR controller.

Navigate and manipulate with the same intuitive gestures as you would with conventional VR devices.

## Mindful efficiency.

VIVE Flow and VIVE Sync transform any environment into a Lo-Fi distraction-free VR workspace.

## Go anywhere.

With the lightweight, compact, and foldable VIVE Flow, the prototypical VR for on-the-go immersion.

## “Me” time.

Has never felt this good. Discover new ways to relax and recharge in virtual reality.
