## ABOUT THE HEADSET

The Pico Neo 3 Pro is specially designed for interactive training, simulations and hospitality. It offers several advantages, among which is its ability to deliver an unrivalled immersive experience thanks to its enhanced chipset, powered by the Snapdragon XR2 platform. Compared with the Pico Neo 2, which uses the Snapdragon 845, the Neo 3 Pro offers twice the performance.

## WHAT'S INSIDE THE BOX

- ✕ Pico Neo 3 Pro
- ✕ 2x Pico Touch controllers
- ✕ USB-C adapter
- ✕ USB-C to USB-C cable
- ✕ Cleaning cloth
- ✕ 2x joystick straps

### EASY TO USE

Designed to be simple to set up and use right out of the box. There is no need to create an account to use it, and no need to manually set a limit on each use. This makes it an ideal choice for corporate use.

### ULTIMATE COMFORT

Improved design with four corner cameras for a better VR experience. Weight balance thanks to the battery in the headband. Adjustable headband with crown wheel. Soft, cleanable PU face mask. Manual IPD adjustment for perfect fit.

### PC STREAMING FUNCTION

The 5m PICO Streaming\* cable enables a professional 4K VR experience on PC without latency or loss of quality. In addition, the Pico Neo 3 Pro includes a streaming application for an optimal experience via USB Type-C.
