

SHIFT CASE by **INO**^{VR}

QUICK-START GUIDE

VIVE FOCUS 3 VERSION

2-MINUTE SETUP

1

Open your case by activating the locking system

2

Once the case is open, remove the wireless keyboard from its slot, then remove the headset and controllers from the foam.

3

Connect the power supply to an electrical socket

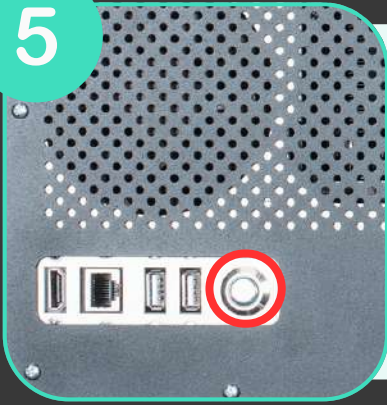

4

Make sure the power supply is in the "ON" position

5

Press the power button on the front of the case (the button lights up when the computer starts)

6

Make sure that the router (included as an option) is plugged in and that it is in the "ON" position

YOUR CASE IS READY, TIME TO GET YOUR HEADSET ON

For wired use

1

Make sure that the Vive Business Streaming application is installed and running on your computer

2
